Ed;

Thanks for your message.

The meeting with MCE on Wednesday is scheduled from 10:00 to 11:00 at the Drury Inn -- St Louis Airport at 10490 Natural Bridge Road.

There isn't a separate meeting room available for this informal meeting and space is limited. Karl and two of our senior managers were going to meet with you and Heather in the lobby common area of the hotel breakfast lounge. I'd like to suggest that we work to set up a time in the near future for you, Senator Chappelle-Nadal and Rep. Bill Otto to have a meeting or conference call to discuss the situation at Westlake. This would also allow us to coordinate with our State of Missouri contacts on a mutual time to brief Missouri elected officials.

Thank you for your message.

Sincerely,

Mark Hague

Mark,

Can you send me the details for the meeting on Wednesday morning? I believe the details were sent to my executive director who is currently out of town.

I would also like to invite state Senator Maria Chappelle-Nadal and state Rep. Bill Otto, both of whom have West Lake in their district. Please let me know if it's okay to invite the elected officials.

Thanks,
Ed

Thank you for the letter you sent Regional Administrator Karl Brooks on June 18. In that letter you presented a series of questions and requested a meeting between Karl and members of the Missouri Coalition for the Environment prior to EPA's public meeting on June 25, 2013.

We will address questions from MCE and other members of the public during our meeting on June 25 and afterward, as part of this agency's continued public engagement under the ROD framework. Although we are unable to schedule a meeting with you individually prior to our public meeting next Tuesday, Karl will contact MCE shortly to suggest a brief meeting in St. Louis on Wednesday, June 26.

Thank you for your letter.

Mark Hague
